### **Short-term Missions Policy – 2 weeks or less:**

A member from Southland going on a short-term witness or work mission trip must apply for financial assistance at least 60 days before departure. Assistance is contingent upon approval by the Missions Leadership Team, based on availability of funds up to 50%. Non-members of Southland Community Church are not eligible for financial subsidy for a mission trip.

Application should be returned to the church office or team leader.

### **Please write a short testimony that includes the following:**

1. When you accepted Christ
2. What He is presently doing in your life
3. Motivation for going on this mission trip
4. How would you like God to use you on this trip?
5. How might God use your gifts on this trip?

### **Financial Agreement (you must sign to be approved for the team you are applying):**

By turning in this application, you agree that you are responsible for all expenses incurred and associated with the trip. If you choose to drop out of your team, or you are removed from the team because you are not fulfilling the requirements of preparation for the team, you are financially responsible for all expenses incurred at the point of your leaving the team. This includes airfare, application fees, insurance and any other fees that have been incurred by the church and cannot be reimbursed. You also understand that no subsidy can be used to compensate for these expenses should you choose to drop out of your trip.

By signing below, I understand my financial obligation for this trip. If I choose to drop off the team, or if I am removed from the team due to not meeting the expectations for preparation or behavior related to the team, I agree to pay any and all expenses incurred by Southland up to the point of my leaving the team.
